CONFIDENTIAL - FOR INTERNAL USE ONLY

1. 30-Second TL;DR

- Axia Real Assets LP launched a \$560 million hostile takeover of Plaza Retail REIT to capitalize on retail space demand.
- Sedano's Supermarkets acquired a Miami-Dade retail center for \$32 million, enhancing its market position.
- The Consumer & Retail sector shows mixed sentiment, with average EV/EBITDA multiples: Staples at 15.2x, Durables at 11.8x, and Discretionary at 13.4x, amidst rising costs and regulatory scrutiny.

2. 1-Minute TL;DR

- Axia Real Assets LP's \$560 million hostile takeover of Plaza Retail REIT aims to leverage retail space demand, although integration risks and regulatory challenges loom.
- Sedano's Supermarkets' \$32 million acquisition of a Miami-Dade retail center secures its operational base and reduces rental expenses, but faces market competition risks.
- The Consumer & Retail sector reflects mixed sentiment, with average EV/EBITDA multiples: Staples at 15.2x, Durables at 11.8x, and Discretionary at 13.4x. Key drivers include consumer financing growth and digital transformation, while headwinds involve regulatory scrutiny and economic uncertainties.

3. 2-Minute TL;DR

- Axia Real Assets LP's hostile takeover of Plaza Retail REIT for \$560 million is aimed at enhancing operational efficiencies in retail properties. The deal faces integration risks and potential regulatory pushback, given its hostile nature.
- Sedano's Supermarkets acquired a Miami-Dade retail center for \$32 million, allowing it to secure its operational base and potentially increase market share. However, it assumes \$40.1 million in debt, raising financial risks.
- The Consumer & Retail sector is characterized by mixed sentiment, with average EV/EBITDA multiples: Staples at 15.2x, Durables at 11.8x, and Discretionary at 13.4x. The sector is influenced by
