CONFIDENTIAL - FOR INTERNAL USE ONLY

1. 30-Second TL;DR

- Vusion announced its acquisition of In-Store Media (ISM) to enhance its retail media capabilities, although deal size and valuation multiples are undisclosed.
- The Consumer & Retail sector is cautiously optimistic, with trading multiples showing resilience, particularly in consumer staples (EV/EBITDA of 15.2x) and e-commerce (18.9x).
- Key market drivers include digital transformation and strong investment in tech, while economic uncertainty and supply chain issues pose challenges.

2. 1-Minute TL;DR

- Vusion's acquisition of In-Store Media aims to strengthen its position in digital retail media, leveraging ISM's expertise and relationships with over 90 retail banners. Financial specifics remain undisclosed.
- The Consumer & Retail sector exhibits cautious optimism, with trading multiples reflecting resilience: Consumer Staples at 15.2x EV/EBITDA, Consumer Durables at 11.8x, and E-commerce at 18.9x.
- Market dynamics are shaped by digital transformation and strong venture capital investments, while headwinds include economic uncertainty and supply chain disruptions. Investors should focus on high-growth areas like e-commerce and monitor evolving consumer trends.

3. 2-Minute TL;DR

- Vusion's acquisition of In-Store Media (ISM) is a strategic move to enhance its digital retail media capabilities, integrating ISM's expertise to capitalize on the growing demand for in-store advertising. The deal size and valuation multiples are not disclosed, but ISM generated approximately EUR120 million in revenue in 2025, indicating a strong profitability profile.
- The Consumer & Retail sector is navigating a landscape of cautious optimism, with trading multiples reflecting resilience: Consumer Staples at 15.2x EV/EBITDA, Consumer Durables at 11.8x, and E-commerce at 18.9x, suggesting investor confidence in high-growth areas.
- Key market drivers include ongoing digital transformation and robust investment in technology, while
